Creating Creation Local artist paints mural at Grace

Artist Wendy Hood has been spending many days in Grace's new Family Life Center painting wonderful biblical scenes along the *GraceKids* hallway.

Wendy, who owns her own company, *Wendy's Walls*, has been painting murals all over the state of Texas. She recently did the fabulous rainforest mural for Texas Southern University's Children's Center. She is also currently working on a mural at Dickenson Hospital.

Grace's mural begins with the Creation and ends with the Nativity of Jesus. In between those two scenes Wendy is painting other famous Bible stories: Noah and the Ark, baby Moses in the basket, Joseph and his coat of many colors, David and Goliath, and Jonah and the whale. Little ones attending *Gracekids* preschool or Sunday School classes (and the grown ups

too) will enjoy these beautiful, colorful, detailed scenes for years to come.

Wendy graduated from Montgomery High School. She currently lives in Houston in Champions Forest. She has a four year old son named Bradley. Stop by some weekday and say hello and admire her work.
